Non-Survey Clause

It is noted and agreed that in respect of any claim under Section I where the estimated amount does not exceed _____ (net of any applicable excess) the claim shall be admitted without survey and the Insured may proceed with repairs without prior consultation with Insurer provided they furnish to Insurer a full written accident report with substantiating documents and keep a photographic record of any damage. Notwithstanding the foregoing the Insurer reserve the right to inspect the loss site.

This Clause is Subject otherwise to the terms, conditions and exclusions of this Policy.
